HALDIA GOVERNMENT COLLEGE
P.O. Debhog, Purba Medinipur

- A long standing demand for journals in library has been addressed from students' feedback. To solve this gap, IQAC has suggested to inform all the departments to motivate their students to register in INFLIBNET so that they can avail all the e-journals.
- Students have asked for better availability of reading room in library. So, a proposal was sent to PWD for renovation of library room on 08.02.2023.
- Several career counselling programs on career opportunity and skill enhancement, career prospects in industry, cyber security and campus interview have been organized for students by the career counselling sub-committee of college. These programs will enhance the career opportunities for students.
- Student's week has been celebrated by the college from 01.01.2023 to 07.01.2023. During this week any doubts regarding scholarship facility have been clarified to the students by the concerned faculty.
- For imparting education in a more efficient way, a department-wise analysis was conducted to identify the lacuna and this has been addressed through academic audit. Remedial classes and doubt-clearing sessions are being organized by the concerned departments.
- Seminar and workshop regarding CBCS has been conducted by IQAC and other departments. Both teaching faculties and students have participated in the seminars.
- Both students and teachers have mentioned about necessity of enhancing the college infrastructure. Considering that, a proposal has been forwarded to PWD on 22.07.2022 to improve and extend the main academic building. They have accepted this proposal and now the renovation work is in progress.
- For assessing the quality of the college campus, green audit, energy audit and environmental audit have been conducted in session 2022-2023. College now has certificate with 3 years of validity for all of these audits. The authority has prioritized beautification and cleanliness of the campus. On this ground, saplings are planted in the campus area and new dustbins has been placed in several parts of the campus.
- Proposal was placed to PWD for installation of water cooler and purifier for boys and girls hostel 22.08.2022. Another request was sent on 09.02.2023 for kind perusal.
- Providing clean water for the day scholars, hostellers and other staffs is essential. A request for installing tube well in college campus has been placed to PWD on 17.10.2022. The concerned authority has installed new tube well in the campus. This has improved the availability of water in college.
- Proposal was placed for purchasing computer accessories and anti-virus for computer labs on 21.12.2022. Another request was placed to purchase scientific equipment for P.G. department of Chemistry on 19.01.2023.
- College has plenty of infrastructure which require regular maintenance. To maintain all the A.C.s in campus, proposal for annual monthly contract for maintaining split A.C.s was sent

on 21.12.2022. Proposal for installing new lights across the campus was also send on the same date.

- College has an existing Tourism and travel management department with 3 years bachelor degree program. To transfer the three years course into 4 years bachelor degree course, a trail of paper works have been done with Bikash Bhavan. The matter is now under consideration of Higher Education department.
- As the college has two post-graduate departments, necessity of a research cell was felt by the college authority. So, proposal for opening of research cell was sent to Bikash Bhavan on 18.08.2022. A request letter was also sent to the vice-chancellor of Vidyasagar University on 21.12.2022 on the same matter.
- On the basis of a memorandum of understanding taken on 02.09.2022 between Haldia Government College and Netaji Subhash Open University, post-graduate study centers for Geography and Education have been opened in session 2022-2023. Both the departments are now functioning and classes have been commenced from 16.04.2023 for both the departments.
- In this session six teachers have been released for Orientation/ Refreshers / Short term courses and their files submitted to Higher Education Department for on duty approval.
- CAS proposal with screening/selection committee recommendation of 16 teachers submitted to Higher Education Department for Government approval.
- Feedback from Students, Teachers, Employers & Alumni collected analysed and discussed in IQAC for improvement.
