### Brief Description of the Program:

As a part of NCC regular social activity, cadets of this COY conducted College campus cleaning drive. Total 48 cadets along with CTO Dr. Mohan Chandra Dolai were participated in this drive. The NCC cadets collected and gathered to clean the surroundings of the College Campus. They enthusiastically collected paper, plastics, weeds, and other waste materials spread over the campus. The collected waste disposed into the dustbin for the removal. The whole cleaning drive was quite inspiring and motivating one for the participants. During this activity they also cleaned the approach road from girls as well as boys hostel to college main gate and chopped the unwanted shrub and bushes along road side. At the end of the drive, the following pledge was taken in front of the CTO..”*I shall do my best for protecting the environment and biodiversity around us. I shall also adopt good practices that would minimize the hazards. I shall reuse whatever I can. I shall take care to clean up the surroundings*”. The drive was concluded at main gate after taking a group photo.
