### **Brief Description of the Program:**

A Blood Donation Camp was organized by this COY in collaboration Haldia Sub-Divisional Hospital Blood Bank with as a part of social services on 15<sup>th</sup> September, 2021 at the Conference Hall of the college.

The camp began at 11:00 AM with a short inaugural function by Chief Guest of the Blood Donation Camp, Hon'ble Officer-in-Charge Dr. Pijush Kanti Tripathi who expressed his gratitude to the NCC COY of the College for its continuous endeavor in this regard. CTO Dr. Mohan Chandra Dolai addressed the gathering and encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow citizen.

Our beloved Mr. Sukumar Maity, a non-teaching member of the college, extended constant support towards the successful completion of the camp.

There were about 50 cadets come forward to donate blood but out of them only 24 were eligible to do so after counseling and medical investigation by experts. Therefore cadets were highly enthusiastic and actively participated in this event. Students from alumni group, few outsiders also extended their full support to this noble cause, donated blood and making it even more memorable. We were fortunate enough to collect 24 blood units. Certificate of appreciation and refreshment were given to all the donors as a token of gratitude.
