

Report

Name of the Activity: Rally on awareness about Health and Hygiene.

Date, Time & Venue: 27.03.2019 at 08:00 AM; College premises.

No. of Participants: 57

Brief Description of the Program:

Total number of 49 number of NCC cadets along with CTO Dr. Mohan Chandra Dolai of the College conducted an awareness rally on health and hygiene at the nearest slum area City Centre *basti*. The rally was inaugurated by Dr. Debasish Banerjee, Principal of the College. The rally started at 11:00 AM from the college campus. The cadets carried placards stressing the need for maintaining hygiene and good practices to maintain good health. Slogans were also given by cadets about the issues. After reaching in the community, they have been conducted door to door census followed by awareness meeting for hygiene and sanitation behaviours. Few basic advises delivered to them by the CTO on maintaining personal hygiene, importance of basic remedies to maintain good health, and how to prevent their lives from the hazards of air, sound and water pollution. NCC cadets also explained the benefits of keeping clean surroundings in and around the living areas to fight the menace of diseases spread through mosquito bite like dengue, malaria and other vector borne diseases. Finally the rally was concluded with a group photo in the community and CTO acknowledged the cooperation rendered by the residents of the slum.

The purpose of the program was to sensitize the community about the importance of healthy habits and hygienic measures to prevent infections and to promote good health.
