NATIONAL SERVICE SCHEME: :HALDIA GOVERNMENT COLLEGE

Dr. Dipankar Sadhukhan, IQAC Coordinator, Haldia Govt. College welcomes all the resource persons, dignitaries and participants to the camp and shared valuable knowledge on the topic.

Mr. Basudev Mondal introduced the esteemed speaker, **Dr. Ramendu Hom Choudhuri**, (MBBS), Chairman, Rotary Club, Haldia, Purba Medinipur.

Our resource persons delivered their respective speech on the issues of Thalassaemia Awareness Program; preventive and curative measures of Thalassaemia; how to deal with Thalassaemia major problem; and how to build up the responsibility towards society.

Finally, Dr. Tithi Bose, Joint Convener of the program & Program Officer, NSS Unit-II, Haldia Govt. College delivered the vote of thanks and concluded the program.

Outcome:

Participants became aware about the severity of Thalassaemia.

Naikundi Janakalyan Samity, Purba Medinipur in collaboration with Thalassaemia Control Unit, Purba Medinipur District Hospital and Rotary Club of Haldia, Purba Medinipur collects the blood samples from the college students and confirms the possibilities of future counseling for the carrier in order to guide such person to the right path, so that they can choose their life partner free of Thalassaemia disease.

A proper awareness cum detection at an early stage can reduce the incidence of thalassaemia-affected children and one in eight of thalassaemia carriers live in India.
