Brief Description of the Program:

A group of 35 enthusiastic NCC cadets of this COY celebrated tree plantation drive on 29th June, 2022 at the College Campus. This is a little step of afforestation to maintain the ecological balance of nature. On the day, the Cadets assembled at the campus at 10:00 AM. The day was started with the cleanliness drive at the campus. Before execution of the plantation, the cadets cleaned the area where saplings were to be planted. They separated all the plastic, bottles and waste material and dug holes with equal spacing. After the cleanliness drive each of them planted a sapling along the approach road of girls and boys hostels. CTO Dr. Mohan Chandra Dolai visited and boosted their enthusiasm. He also advised them to unitedly engage in keeping the place clean and take regular care when they will visit the campus.
